ABOUT THE AWARDS

The Harrie M. Selznick CASE Distinguished Service Award recognizes individuals who have been career-long leaders in the administration of special education programs. The intended recipients of the award have made significant contributions to the field over extended professional careers. The Selznick Award is the highest CASE honor and it is accompanied by a cash award. Harrie M. Selznick served as the first Executive Director of the Council of Administrators of Special Education, a post he held from 1973-1983. He served CASE in many roles throughout his long, distinguished career. Under Dr. Selznick's leadership, CASE became incorporated as a professional education association and grew from 223 members to 3600, while its subdivisions grew from none to 28. It was under Dr. Selznick's leadership that CASE was first consulted at the federal level for input on national public policy in the U.S. The number of persons touched by Dr. Selznick's personal attention regarding professional assistance is beyond estimation. His influence is still felt today through a vibrant CASE organization. We are proud to honor him through CASE's most prestigious award.

The CASE Outstanding Administrator of Special Education Award recognizes individuals making significant professional contributions to leadership behavior and field practice in the administration of programs for students with disabilities and/or who are gifted. Nominees must have ten years of experience in special education administration, and must be a current CASE member.

The Outstanding Service to CASE Award recognizes individuals who have made a significant contribution to CASE resulting in a positive and significant impact on the work of the organization.
